

Who inspires me the Most...?

Written by: PurpleFreak02

High Grades!

Greatly made,

It's not what you expected,

But am I exempted?

I dreamed of a place,

But my mind is still a maze.

'Cause I've been telling myself it's a 'One Day'

Well, in a way.

Because I know, even when it's not obvious,

You're making a way for us to be amused.

Striving hard,

But me? Just making my grades a dart.

Now, who is he?

Is it myself? Me?

No! It's my Dad!

Even though, I make him Mad,

My life's host,

Who inspires me the most.
