

Words left Unknown

Written by: PurpleFreak02

(Poem)

*What I know about the world,
is mostly the unspoken words,
left hidden in the thought,
doesn't even bother to ought.*

*Hearting it out by Mumbling,
And expresses some by Tumbling,
Can't tell someone,
'Cause you can't trust the loyalty of one.*

*Yes! I am Talkative,
but, I'm not Naive,
I know who to trust,
And I know, that hiding is a must!*

*hiding my words,
can help my world.*

Yet I know,

that there are words left Unknown...
