***You Rock! (A Thalia Grace and Luke Castellan Love story/Fanfic)***

---

**"We didn't know that the Golden Fleece would be that powerful."** I heard murmurs

**"What do you mean?"**

**"Let's help her out!"**

They held my hand, and helped me stand up from a weird tree...

**"What's your name?"** A *familiar* voice said, she looks so familiar! She had a blonde braid that is all located in her left shoulder.

**"I'm Thalia, Daughter of Zeus."** I declared

**"Then let's get you dressed and started."** A man said, half horse, half human. Hmm... Centaur.

**"What do you mean started?"** I asked

**"Welcome to Camp Half Blood."** He declared **"Call me, Chiron."** He continued.

The girl with blond braids walked close to me,

**"Hey, Thalia!"** She said

I looked closely, who is this girl?

I looked more closely... **"Annabeth?"** I asked

She shrugged. **"Annabeth, Annabeth Chase."**

She's a teenager now! **"You look so..."** I said, while thinking about the perfect word to say.

**"I know, I'm older!"** She said

**"I'm Percy, Percy Jackson."** A boy said, I looked at him, he's eyes were blue as the water... **"Son of Poseidon."** He continued.

And a Satyr also went to me.

**"I'm Grover, Percy's Protector."** He said, then winked at me. I smiled

**"Hey Grovs!"**

Then a shy creature with red hair came and approaches me too! **"I'm Tyson, son of Poseidon. I'm a Cycl---**" he didn't get to finish his words when I uncontrollably backed out.

**"---Ops."** He continued

**"Cyclops?"** I sarcastically chuckled. **"Really, Annabeth? You're really hanging out with a Cyclops?"** I said, sarcasm is fully evident in my voice and how I said it.

**"He's not what you think he is! He's in our hands now! He is going to be trained as a Demigod not a Cyclops!"**  
She defended.

**"Oh I don't know what to say."** I said as I walked away.

Didn't Annabeth learned her lesson? I died (for years) because of a Cyclops! I got her point that she is trusting them, that they will train him to be a better man, But for me?

He's still a Cyclops!

### ***Luke's POV***

**"What is happening out there?"** I mumbled as I walk out of my cabin. Everyone, went out to see that someone was healed, and I had no idea who!

I went out there and accidentally bumped into a girl, I looked at who she is, and was shocked.

**"Thalia..."** I mumbled

**"L-Luke..."** She said

My heart pounded so hard... ONCE AGAIN

When I saw her, I know that I'm still senseless at the time of her death, but I know it was something, it was love.

I thought that I finally moved on, but it was just a thought.

**"How are you?"** She asked

**"Still me..."** I joked

She hugged me... Now I regret resurrecting Kronos instead of her,

**"Ugh! I smell like weeds!"** She murmured

I chuckled

**"Go, was yourself! Your brother is waiting for you at the cabin!"** I winked

**"Brother?"** She confusingly asked

I winked and ran to the Hermes cabin,

---

### ***Thalia's POV***

*Gods of Cronos!* I missed him! I silently walked to the *Zeus Cabin*, and saw a *blonde boy* waiting for me in front of the cabin.

**"Hey! I'm Jason Grace! Son of Jupiter."** He said with a smirk, as *if* I didn't know

I hugged him, *tightly*

**"Hey, brother!"** I said, Gods! I missed him!

He chuckled and guided me to the cabin,

I washed myself and wore a simple *chucks*, white *shirt* and a *skinny jeans*.

As I tie my chucks, I remember Luke's Sneakers the one with wings that signifies his father, Hermes.

**"Hey, Sister! It's time for lunch time! And I think it would be better if Chiron would introduce you in the camp."** He said

I nodded as an answer.

**"Hey! I'm Piper! Jason's Girlfriend."** She said, I shook her hands

"**Frank Zhang.**" He shyly said

"**Hazel.**" She simply announced

"**Ni---**" the boy didn't finished what he was saying, when a man with tanned skin and brownish black hair with curls cut off.

"**Hey! I'm Leo Valdez! Son of Hephaestus.**" He said, and flicker a fire in his palm with a smirk in his face.

"**Impressive.**" I said, and grinned.

"**As I've said, before Leo Valdez, cut off, I'm Nico di Angelo, son of Hades.**" He said while glaring at Leo.

"**And you are?**" They all said in chorus, except Jason.

"**Thalia Grace, Daughter of Zeus.**" I declared.

"**What was the feeling being a tree?**" Hazel asked.

"**I — I just felt asleep — for years — without dreams.**" I said as I think about the feelings.

I saw Percy ran towards me.

"**You have to meet the person who resurrects you,**" he said.

*Luke*

I thought to myself, he had wounds in his arms and face, I think *he is the one*.

He escorted me, to a... *GIRL?*

"**I'm Clarisse.**" She stated "**Daughter of Ares.**" She continued

"**Thank you so much for saving my life!**" I said,

"**'course! I did it with a little help of Percy, Annabeth, and Tyson, I know you hated Tyson, but, I know, he's a good man.**" She said.

I nodded. And *realized* something.

**"Percy, could you leave me and Clarisse for a second?"** I asked.

**"Of course!"** He said and left us.

**"Do you like Tyson?"** I teasingly said.

She blushed.

**"What? N-no! Course not... But I think so..."** She said, and mumbled the last part.

**"Well, then you said it! You don't!"** I teased

I walked a little bit, giving us a gap of space.

**"Hey."** He said.

**"Luke!"** I said and hugged him, I don't know what's got into me, but I just loved hugging him.

I heard a pause to everyone and was left was their gasps.

**"Walk with me?"** He asked

**"Of course!"** I said as I remove the hug.

---

### ***Luke's POV***

I'm doing everything I could do, just to prevent *Thalia and Annabeth* to talk, it can ruin my image to Thalia, and I don't want that to happen.

**"So, is there something you wanna say?"** I said, as *I've* noticed that she is having a hard time with me — like, she wanted to say something all along.

**"Happy Birthday?"** She said, more of an ask

I chuckled

**"I mean — I was not here for years, and I've missed your birthdays."** She said.

I chuckled again.

**"The truth! What are you really supposed to say?"**

**"Can I? No! Nevermind! Let's go back — maybe they're already looking for us."** She said

I smirked.

**"I'm not leaving, until you say what you are supposed to say."** I grinned

**"I said, forget it!"** She said, yeah! She's pissed off

**"No! I'm not moving!"** I stated

**"Aww! Luke!"**

**"What were you supposed to say?"** I asked, teasingly

She looked at the sand that she was stepping to, and mumbled something, hah! She thought that I didn't heard it?

***"I wanted to say, Can I have a kiss?"***

I held her chin and pulled it a little facing her to me, and slowly removed the gap between our lips, this is our first, apparently my first too! And I think hers too...

I didn't stop, but I felt her trying to let go,

**"That was..."** I said, and tried to think about the right term to express my feelings.

**"G-great."** she mumbled

**"Yeah!"** I agreed

---

***Thalia's POV***

**"I — I have to go!"** I said and ran to the Zeus Cabin.

And started screaming like crazy! Gods! I DO like him!

I thought, as I felt my cheeks burning...

I have to tell it to him before the day ends! And that's a *MUST! No matter what happens...*

---

### **Luke's POV**

**"You are not getting away with this Luke! And you will regret everything you've done!"** she threatened.

I was about to apologize to Annabeth about everything I did to her and Percy. But she hated me and started threatening me, about her telling what I've done to her and Percy, and especially me trying to resurrecting Kronos than her... And I know, that was the *huge* mistake I've ever done!

But still! I'm still scared to death, that maybe, Thalia will start hating me.

I looked at the ground as I glanced at Annabeth walk away with a glare left on her face.

**"Please, Annabeth! I know that I've done wrong, but please! You can see right through me! I'm regretting it! *all of it!*"** I said, tears is in my eyes.

**"No, Luke! You never! You never regret hurting us! Me and Percy! And especially hurting my feelings, thinking that you're still one of us, Thalia and Me."** she said with anger and pain in her eyes. **"But you were never — never one of us, Luke."**

And it hit me.

I quickly ran to the Zeus' Cabin, and saw Grover talking to Thalia with tears all over her beautiful cheeks.

**"He did that?"** I heard her sob.

**"Yes! And he even tried to resurrect Kronos *AGAIN*." he said.**

**"And I regret all of it!" I said.**

They turned to me...

**"So, What Grover was saying was — not a — lie?" she said.**

I slowly nodded y head as an answer of yes

**"But! I don't care!" she said, which shocked me, and Grover**

**"You are you, Luke! And — that's what I loved about you! Oh! And what I can say, or like, my comment for what you've done... hmm... *you rock!*" before I react,**

*She jumped and kissed me...*
